

## **Commonfund Capital Appoints Mark Radville as Managing Director for Business Development**

**Wilton, CT April 6, 2021** - Commonfund Capital, Inc., the private markets subsidiary of Commonfund, announced today the appointment of Mark Radville as Managing Director on the business development team. Based in Los Angeles, Mark will oversee the building and expanding of Commonfund Capital's relationships across pension plans, nonprofits, single and multi-family offices, insurance companies and RIAs.

Mark joins the Commonfund Capital team after spending five years leading the Western region sales efforts at HarbourVest Partners, where he gained significant exposure and experience operating in the private capital markets and driving institutional investment sales. Prior to HarbourVest, Mark spent nearly ten years in senior sales roles at Guggenheim Investments, during which he focused predominantly on alternative investments.

"Mark is a proven expert with decades of experience in the industry and a distinct solutions approach in helping investors succeed in private equity investing," said Peter Burns, President & CEO of Commonfund Capital. Adding, "His extensive track record and knowledge of the institutional landscape will provide significant value to our team and investors."

Earlier in his career, Mark held positions at Merrill Lynch Investment Managers, Conseco Capital Management and ICG Advisors. He holds a BBA in finance from Loyola University in Chicago.

### **About Commonfund Capital**

Commonfund Capital is a dedicated private capital solutions provider that invests with global partners across five offices. Since its founding in 1988, it has managed over \$18 billion of private capital commitments from investors. Throughout the years, its mission has remained the same: to provide quality investment solutions in private equity, venture capital and real assets and sustainability through primaries, secondaries and co-investments.

### **About Commonfund**

Commonfund was founded in 1971 as an independent asset management firm focused on not-for-profit institutions. Today, we are one of North America's leading institutional investment firms, managing \$25.7 billion in assets for some 1,300 institutional clients, including educational endowments, foundations and philanthropic organizations, hospitals and healthcare systems, pension plans and family offices. Our only business is investment management, and we are active in all sectors of the global capital markets, both public and private.
